

## Alliance Financial Resources

LOCATION	Phoenix, AZ
MARKET SECTOR	Tenant Interiors
SQUARE FEET	23,860
PROJECT TYPE	Corporate
ARCHITECT	Davis

RJM Construction was hired as the general contractor to create a collaborative, open office work space for Alliance Financial Resources.

The reception area of this corporate office features distressed barn wood walls, polished concrete floors, and a unique cloud ceiling with linear pendant fixtures. RJM installed glass-front walls with sliding barn doors on all perimeter offices, maintaining views of the outdoors. The training room features three center pivot doors that blends into the lobby and common areas. There is a large break room and café with bar seating and a pool table.
