

Ascend Learning

LOCATION	Minneapolis, MN
MARKET SECTOR	Tenant Interiors
SQUARE FEET	20,500
PROJECT TYPE	Office
ARCHITECT	GastingerWalker&.

RJM Construction has been selected by Ascend Learning, LLC to build out 20,500 sq. ft. of office space for two of its Minneapolis and St. Paul based businesses, MedHub and FISDAP, within the historic 510 Marquette building in downtown Minneapolis.

Glass office fronts and 20-foot exposed ceilings throughout the space provide natural lighting and bring to life the historic features of the building. A free-standing ceiling system over the offices was engineered independently of the building structure to ensure the architectural aesthetic remained clear of the infrastructure.

RJM successfully achieved this design vision by holding regular pre-installation and coordination meetings to pinpoint exact equipment locations allowing us to address each potential conflict creatively without impacting design.
