

Eagle Point Office Center III

LOCATION	Lake Elmo, MN
MARKET SECTOR	Commercial
SQUARE FEET	40,384sq ft
PROJECT TYPE	Office
ARCHITECT	ACI Bolland

The RJM Construction team built a two-story structure as phase three of the up and coming development in Lake Elmo, Minnesota.

Features of the project include a two-story entry canopy, circular fountain, and walking path around the pond behind the building. RJM also completed the common area interiors and tenant spaces.
