

Fairview North Branch Clinic

LOCATION	North Branch, MN
MARKET SECTOR	Healthcare
SQUARE FEET	18,155
PROJECT TYPE	Clinic
ARCHITECT	BDH & Young

RJM Construction built this single-story clinic for Fariview Health Services.

The finished space includes exam rooms, large procedure rooms, a physical therapy gym and a drive-through Fairview Pharmacy. RJM worked with the project team to execute the energy efficient design that incorporates natural sunlight, and maximizes the building footprint with spaces for medical conferences.
