

Maple Grove Community Gym

LOCATION	Minneapolis, MN
MARKET SECTOR	Community
SQUARE FEET	43,000
PROJECT TYPE	Gymnasium
ARCHITECT	Armstrong, Torseth, Skold & Rydeen, Inc

RJM completed a 43,000 sq.-ft. addition to Maple Grove's junior high gymnasium.

The addition features three basketball courts, concessions and a commons area lounge for students and parents. The facility will primarily be utilized by the Osseo Maple Grove Basketball Association. The addition was constructed of precast concrete to match the existing facility and the new entry incorporates glass and aluminum. A significant amount of site work took place including expanding the parking lot and relocating lacrosse fields and tennis courts.
