

Meridian Behavioral Health - Tapestry

LOCATION	Minneapolis, MN
MARKET SECTOR	Healthcare
SQUARE FEET	16,600
PROJECT TYPE	Specialty Clinic
ARCHITECT	Pope Architects

Meridian Behavioral Health hired RJM Construction to renovate their Tapestry Women's Residential facility, located in St. Paul.

The project added space for 14 beds to accommodate the Tapestry's growing need. Finishes throughout the treatment center were updated as well.

A fully occupied facility, the project was completed in carefully planned phases within isolated construction zones, keeping client safety and privacy at the forefront.

RJM has worked on similar projects for Meridian Behavioral Health, including the Alliance Clinic in Minneapolis, Meadow Creek in Pine City and Beauterre Recovery Institute in Owatonna.
