

Prairie Seeds Academy

LOCATION	Brooklyn Park, MN
MARKET SECTOR	Community
SQUARE FEET	69,560 sq ft
PROJECT TYPE	Education
ARCHITECT	DLR Group

The Prairie Seeds Academy Charter School was constructed to serve K-12 students.

The phased project schedule included the extensive renovation of an outdated school facility as well as the construction of a new two-story addition. The project includes classrooms, administration offices, a media center, music rooms, gymnasium with locker rooms, an auditorium and high school level science labs.
