MARKET SECTOR	Healthcare
SQUARE FEET	7,650
PROJECT TYPE	Clinic
ARCHITECT	Rego & Youngquist

Suburban Imaging wanted their clinic to have a spa-like environment to ensure the patients relaxation and comfort.

The detailed finishes include soft color tones, natural artwork and various waiting areas with comfortable seating for patients. The clinic includes sophisticated imaging equipment such as, MRI, CT & PET, x-ray and nuclear medicine. RJM provided pre-construction services to accommodate an accelerated schedule.
