

## The Urgency Center - Eagan

LOCATION	Minneapolis, MN
MARKET SECTOR	Healthcare
SQUARE FEET	12,600 sq ft
PROJECT TYPE	Clinic
ARCHITECT	Collaborative Design Group

As the general contractor, RJM executed an accelerated schedule to meet the needs of the client.

The Urgency Center is a hybrid between an emergency room and an urgent care center. This unique clinic is an alternative to hospital-based emergency services, offering capabilities of advanced laboratory, x-ray and CT scan equipment. The complicated structure was delivered within 18 weeks.
